

CURRICULUM VITAE
RÉSUMÉ Format

(This Document must be typed and completed in English only)

Name: Jesús de los Santos Renó Céspedes

Current Postal Address: 220 in 20 St. between 15 St. and 17 St. Vedado. Plaza. Havana City. Cuba.
Postal Code: 10400

A Telephone and Fax number: (53) 5.2582586

An E-Mail Address: reno@infomed.sld.cu

Nationality: Cuban

Sex: Male

Marital Status: Single

Date of Birth: March 27th, 1959

EDUCATION (Educational Qualifications) List from most recent to oldest.

Postgraduate training

Qualifications received at last university, college, or school (keep brief and to the point and be careful to explain qualifications not likely to be understood).

Previous Education Received including other Qualifications, Training, etc. (if there are any other places you have attended, please continue in reverse date order below).

EDUCATIONAL QUALIFICATIONS:

DATE	QUALIFICATIONS	PLACE
2004	Associate Professor in Oncology	National Oncology and Radiobiology Institute. Havana.
2004	Specialist of 1st Degree in Oncology	National Oncology and Radiobiology Institute. Havana.
Sept/ 1986 – June/ 1990	Specialist of 1st Degree in Oncology	National Oncology and Radiobiology Institute. Havana.
1978 to 1984	General Practitioner (Medical Doctor)	Institute of Medical Sciences. Santiago de Cuba

References available on request (do not normally include references)

POSTGRADUATE TRAINING

DATE	STUDIES	PLACE
2004	Assistant professor	National Oncology and Radiobiology Institute
2004	Second Degree Specialist in Oncology	National Oncology and Radiobiology Institute
1992 until 1993	Pediatric Oncology and Bone Marrow Transplantation	Institute "Gustave Rousy" Paris. France.
1986 until 1990	Residence in Oncology. First Degree Specialist in Oncology	National Oncology and Radiobiology Institute
Sept/84 until Nov/84	Medical Assistance in Peacetime	Military Unit 6002. Santiago de Cuba

DATE	STUDIES	PLACE
2017 Until 2020	Counselor of ERW: Survival in Wilms Tumor in 30 years at National Oncology and Radiobiology Institute.	National Oncology and Radiobiology Institute Havana Cuba.
2016 Until 2019	Tutorial of ERW: Late effects in patients with Retinoblastoma and Its Treatment. Series Report in 40 years.	National Oncology and Radiobiology Institute Havana Cuba.
March 12th 2018	Philosophy's Course: Bioethical and Philosophical considerations.	Medical Sciences Faculty "Manuel Fajardo"
Feb. 8th 2018	Project SENSELAB Course: Arte-therapy Update. Arts and Social Sciences Alanus University. Bonn, Germany.	National Oncology and Radiobiology Institute Havana Cuba.
Nov.14th 2017	Pre-Congress Course in III Congress of Community Genetic: Genome and Cancer Update".	Human Genetic Cuban Society Havana Cuba
Nov. 12th 2017	IV Course of Pediatric Ear Nose & Throat and her Sciences Associated.	Academical Pediatric Hospital "Centro Habana"

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

Nov. 7th 2017	Pediatric Oncology Course. In 5th Meeting of Psychology Uruguay – Cuba.	National Oncology and Radiobiology Institute Havana Cuba
Oct. 27th 2017	Pre-Congress Course:” Psychological Evaluation and Intervention in Chronically Diseases. In Search of True”. PSICOSALUD 2017.	National Oncology and Radiobiology Institute Havana Cuba
Oct. 27th 2017	Pre-Congress Course: Psychological Evaluation and Intervention in Children and Adolescents. PSICOSALUD 2017	National Oncology and Radiobiology Institute
Oct. 24th/28th 2016	ARCAL Project Reference: C7-RLA-6.075-006/2016. Course Clinical applications of images diagnosis and therapy with radioisotopes in specials hybrids modalities PET/CT y SPECT/CT in Pediatric Oncology.	Tequendama Hotel. Santa Fe de Bogotá Colombia
Jan. 24th 2016	Pediatric post-graduate Medical Education in the United States of America. By professors of University of Colorado Children's Hospital	Academical Pediatric Hospital “William Soler” Havana Cuba
Jan. 24th 2016	Pediatric Oncology. By professors of University of Colorado Children's Hospital	Academical Pediatric Hospital “William Soler” Havana Cuba
Jan. 24th 2016	Thromboembolism Disease in Cancer Childhood. By professors of University of Colorado Children's Hospital	Academical Pediatric Hospital “William Soler” Havana Cuba
Nov.14th 2015	Predictors of Survival in Lung Cancer advanced non-small cell	National Institute of Oncology and Radiobiology Havana Cuba
Nov.14th 2015	Differences in survival in relation to gender in lung cancer from 2005 to 2012	National Institute of Oncology and Radiobiology Havana Cuba
Oct. 19th/24 th 2015	Regional training course for nuclear and medical referring physicians in clinical applications of diagnostic imaging and radionuclide therapy with special focus on hybrid modalities (PEC / CT and SPECT / CT) in Pediatric Oncology	Institute of Radiology Rio de Janeiro Brazil

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

Aug. 31 st Sept. 5 th 2015	Regional Training Course: Diagnostic techniques and therapies in neuro-endocrine tumors and Radionuclide thyroid cancer and child population.	Institute of Radiology Rio de Janeiro Brazil
June 15th/18th 2015	III Course pediatric ENT and related sciences	Academical Pediatric Hospital "Centro Habana"
March- 2015	General Course on the Onco-pediatrics developed in the Fourth Meeting of Psychology Uruguay - Cuba. Havana Cuba.	National Oncology and Radiobiology Institute Havana Cuba
Feb. 23th 2015	Diploma Module: Management of Ophthalmic Tumors.	Medical Sciences Faculty "Manuel Fajardo"
January- 2015	Course of Bioethics in Bioethics Graduate teaching the subject: "Bioethical considerations of pediatric cancer." Havana Cuba.	School of Health Technology
Dic. 2014	National Course of Pediatric ear Nose & Throat.	Academical Pediatric Hospital "Centro Habana"
Dic. 2 nd 2014	Pre-Congress course Hereditary Cancer. Experience in Cuba, under the II International Congress of Community Genetics, teaching the subject: "Immuno-genetics and Pediatric Cancer". Havana Cuba.	Novartis Laboratories. Havana Cuba
Nov. 19 th 2014	Pre-conference 2014 Oncology course teaching the theme "Onco-genetics in the search for improvement in comprehensive cancer care in Cuba".	National Oncology and Radiobiology Institute. Havana. Cuba.
Nov. 18 th 2014	Pre-congress Course of Oncology 2014 on the theme: "Criteria diagnoses and prognoses in the histopathological diagnosis in Oncology"	National Oncology and Radiobiology Institute. Havana. Cuba.
Nov. 18 th 2014	Pre-congress Course Nutrition in Cancer Patients under the 2014 Oncology Congress, giving the theme "Management of Nutrition in the Onco-Pediatric Patient." Havana Cuba.	Hall Meetings Braun Havana. Cuba.
Nov. 18 th 2014	Pre-Congress Course of Genetics Cancer under the 2014 Oncology Congress, giving the theme: "Immuno-genetics and Pediatric Cancer". Havana Cuba	National Oncology and Radiobiology Institute. Havana. Cuba.

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

Nov. 17 th 2014	Pre-Congress Course of Cardiology and Cancer under the 2014 Oncology Congress, giving the theme: Cardiotoxicity in Children.	National Oncology and Radiobiology Institute. Havana. Cuba.
Oct-2014	Completion thesis of Residence: Testosterone. PSA and Prostate Volume as Diagnostic for Prostate Cancer Variables Rate. Preliminary Study.	National Oncology and Radiobiology Institute. Havana. Cuba.
Oct-2014	Completion thesis Residence: Lung Carcinoma non-small cell. INOR experience in 2008-2010.	National Oncology and Radiobiology Institute. Havana. Cuba.
2014	Graduate Onco-pediatrics: Thesis: Monograph on Ewing's sarcoma.	National Oncology and Radiobiology Institute. Havana. Cuba.
Sept. 1st/5th 2014	Regional Training Course: Diagnostic techniques and therapies in neuro-endocrine tumors Radionuclide thyroid cancer and child population.	National Pediatric Institute. FD Mexico.
Feb. 17/21th 2014	Regional Meeting of Project: "Diagnosis and Treatment in Pediatrics Patients with Malignant Tumors". RLA/6/075	Panorama Hotel. Havana City.
2013	Defense against natural disasters.	National Oncology and Radiobiology Institute. Havana. Cuba.
2011 Until 2012	Seconds Tumors in Patients with a First Tumor on Childhood.	National Oncology and Radiobiology Institute. Havana. Cuba.
Dic. 1th 2012	International internship Tumors Children malignant (for Colombian's students)	National Oncology and Radiobiology Institute. Havana. Cuba.
June 1th 2012	International internship Tumors Children malignant (for Swiss students)	National Oncology and Radiobiology Institute. Havana. Cuba.
June 1th 2012	International Internship Tumors Children malignant (for German's students)	National Oncology and Radiobiology Institute. Havana. Cuba.
Nov. 30 th 2012	International Course "Public Health Cuba Aimed at Students of the Multi-professional Residence Brazil	National Public Health School.

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

Dic. 10 th 2012	Diploma in Clinic Ophthalmology	National Oncology and Radiobiology Institute. Havana. Cuba.
2009 Until 2012	Tutorial of ERW: Second Tumors in Surviving Onco-pediatrics.	National Oncology and Radiobiology Institute. Havana. Cuba.
2009 Until 2012	Tutorial of ERW: Ewing Sarcoma. Number of cases in adult and pediatric population. INOR 2000 – 2010	National Oncology and Radiobiology Institute. Havana. Cuba.
May 28 th 2011	Course: "Political Improvement and Ideological teacher UC-MH	National Oncology and Radiobiology Institute. Havana. Cuba.
2008 Until 2011	Tutorial of ERW: Langerhans Cells Histiocytic Cases Report in Pediatric Patients. INOR 1980-2008	National Oncology and Radiobiology Institute. Havana. Cuba.
April 8th/ May 31th 2010	Basic Course Clinical Trials for clinical investigators	National Public Health School.
March 15/19 th 2010	Statistics in Management hospital	Novartis Laboratories. Havana. Cuba.
Nov. 20th 2009	Good Clinical Practice: Responsibilities and Functions of Participating in Clinical Trials	Novartis Laboratories. National Oncology and Radiobiology Institute. Havana. Cuba.
Sept. 21/25th 2009	Epidemiologic Methodology Research Course: Its Application in Cancer. The Evaluation Systems Services of Health.	REDEPICAN National Oncology and Radiobiology Institute. Havana. Cuba. 3rd Age International Center
2006 until 2009	Tutorial of ERW: "Wilms Tumor. 20 Years of Experience". INOR. 1986-2006	National Oncology and Radiobiology Institute. Havana. Cuba.

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

June 17th 2009	Course Pre ONCOLOGY Congress 2009: Update on the diagnosis and treatment of Central Nervous System tumors.	Novartis laboratories. Havana Cuba.
April 20th/ May 15th 2009	Clinical Management in Pediatric Oncology. Quality Standards. Diploma in Management of Cancer Services	National Center for Technical Improvement and Teacher Health. National Oncology and Radiobiology Institute.
April 4th 2009	International Head and Neck Tumoral Pathology Course.	Cuban Pathology Society.
Dic. 6th 2008	New Training Program Latin American Doctors	Polyclinic Scientific Council - Faculty "Orlando Gutiérrez Pérez"
Nov. 10 th 2008	For a Healthy Childhood and Adolescence	Academical Pediatric Hospital "Centro Habana"
Oct. 6 th – 20 th 2008	Acute Leukemia in Childhood	National Oncology and Radiobiology Institute. Havana. Cuba. 6th National Workshop of Radiotherapy.
Oct. 6 th – 20 th 2008	Tumors of Central Nervous System in Childhood.	National Oncology and Radiobiology Institute. Havana. Cuba. 6th National Workshop of Radiotherapy.
Oct. 6 th – 20 th 2008	Generalities of Pediatric Cancer	National Oncology and Radiobiology Institute. Havana. Cuba. 6th National Workshop of Radiotherapy.
2006 - 2008	Counseling Master's Thesis: "Serum-epidemiological profile of Hepatitis B and C. Two groups of High risk children.	"Pedro Koury" Institute. Department of Virology
2006 – 2008	Advisory of ERW: Effective use of Colony Stimulating Factor recombinant human granulocyte (G-CSF-hr) Cuban in the prophylaxis and treatment of post neutropenia chemotherapy	National Oncology and Radiobiology Institute. Havana. Cuba.

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

April 26 th 2008	Course of Good Clinical Practice.	National Oncology and Radiobiology Institute. Havana. Cuba.
Nov 3 rd 2007	Training Program Development Methodologies Implementation of APPCC products and services of interest to the Cuban public health	ININ. Galega Cooperation. SERVIGUIDE
June 14 th 2005	Course Pre - Congress of Ocular's Tumors in Onco- Pediatric Patients	National Oncology and Radiobiology Institute. Havana. Cuba.
May 24 th 2004	Course Pre - Congress: "Overview of Onco - pediatrics"	Academical Polyclinic "Rampa"
Sept 2003 Until August 2004	Work of Completion Onco-pediatrics Diploma: "Impact of health care levels in the development of malignant diseases of childhood. INOR. 1993- 2003"	National Oncology and Radiobiology Institute. Havana. Cuba.
1999 Until 2002	Tutorial of ERW: Late effects of Onco-specific treatment in pediatric patients	National Oncology and Radiobiology Institute. Havana. Cuba.
March 3 rd 2002	Refresher Course in Pediatric Oncological Surgery	Academical Pediatric Hospital "Juan M. Márquez"
June 22 nd 2001	Training Course in Nuclear Medicine Oncology Diagnosis	National Oncology and Radiobiology Institute. Havana. Cuba.
1998 Until 2000	Tutorial of ERW: Importance of morphological classification round cell tumors in the clinical management of onco-pediatrics patients	National Oncology and Radiobiology Institute. Havana. Cuba.
June 23 rd 2000	Training course Nuclear Medicine at the beginning of the millennium	National Oncology and Radiobiology Institute. Havana. Cuba.
April 21 th 2000	International Internship in Basic Oncology Oriented Primary Care	National Medical Improvement Center
March 3 rd 2000	International Internship in Basic Oncology Oriented Primary Care	National Medical Improvement Center

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

March 3rd 2000	International Internship in Basic Oncology Oriented Primary Care	National Medical Improvement Center
1996 Until 1999	Tutorial of ERW: Langerhans Cells Histiocytic. Study of 26 patients. Holguin 1990-1998.	Medical Sciences Faculty "Mariana Grajales"
1999	Advisory: Oxidative stress associated with Onco- pediatrics patients	Havana University. Pharmacy and Foots Institute. Genetic Engineering and Biotechnology Center
March 1999	Malignant Hematologic Diseases update	Academical Pediatric Hospital "William Soler"
1998	Tutorial of TTR: Hodgkin's disease in pediatric patients. 1975-1995	National Oncology and Radiobiology Institute. Havana. Cuba.
Jun 12th 1998	Advances in the Management of Acute Respiratory Infections, Asthma and Tuberculosis	Academical Pediatric Hospital "Centro Habana"
1997	Tutorial of ERW: Hodgkin's disease in pediatric patients. 20-year study 1974-1994)	National Oncology and Radiobiology Institute. Havana. Cuba.
June August 1996	Cancer and Occupational Medicine	Institute of Hydraulics Resources. Panama City
12-10-94	Coordinated treatment of Hodgkin's disease in children. Experience in the period 1988 – 1993	Scientific Session of the Cuban Society of Oncology
1992 Until 1993	Training Onco-pediatric and Bone Marrow Transplantation.	Institute "Gustave Rousy" Paris. France.
Mayo- 1990	Combined treatment of rectal cancer and anal canal	National Oncology and Radiobiology Institute. Havana. Cuba.

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

Educational Qualifications with attested copies (certified copies) of all available Certificates.

Certificates	Date	Folio	Volume	Place
Medical Doctor	August 24 th /1984	037	2254	Medical Sciences Institute. Santiago de Cuba.
		013	719	Faculty of Medicals Sciences N° 1. Santiago de Cuba.
Specialist of 1 st Degree In Oncology	June 20 th /1990	119	2839	Medical Sciences Institute. Havana.
		13	313	Faculty of Sciences Institute. "Commandant Manuel Fajardo" Havana.
Specialist of 2 nd Degree In Oncology	September 1 st /2004	158	4731	Book N° 1 in Medical Educational Department In the Health Public Minister.
Associate Professor in Pediatic Oncology	September 28/2004	110	6803-3- 3042	High Educational Minister.

CAREER (professional experiences. Employment)

- Date started, place of present employment including brief description of your job duties.
- Previous employments: List periods, place and positions of previous employment (if there has been any previous employment to this please include below).

Ex.

Institution: National Oncology and Radiobiology Institute.		Positions: Associate Professor in Pediatric Oncology Manager of Educational Department Associate Assistant in Pediatric Oncology Service Associate Assistant in International Oncology Service
Department: Educational Department. Pediatric Services. International Oncology Services.		Medical Director/Dean: Dr. Luís Curbelo Alfonso
Date of Employment: from (DD/MM/YY): <u>08/05/2014</u> to (DD/MM/YY): <u>04/08/2018</u> (in service now)		
Mailing Address: F St. and 29St. Vedado. Plaza. Havana. Cuba.		
Tel. N°: (53) 78382590	Fax N°:	Email address: reno@infomed.sld.cu
Reason for leaving: Promotion to Manager of Educational Department.

Reason for leaving: Promotion to Superior Level.		

ACHIEVEMENTS: BRIEFLY PUT SKILLS, ANY AWARDS OR NOTEWORTHY ACHIEVEMENTS

- Major Skills and Experience:

1. Clinical Diagnosis in Pediatric Oncology: Solid and not Solid Tumors.
2. Classification Malignant Diseases in Pediatric Oncology
3. Chemotherapy Treatment for Malignant Diseases. Systemic and Oral Chemotherapy.
 - Non Hodgkin Lymphomas.
 - Hodgkin Lymphomas.
 - Histiocytic Diseases.
 - Tumors of Central Nervous System.
 - Neuroblastoma.
 - Wilms Tumor.
 - Retinoblastoma.
 - Bones Tumors: Osteosarcoma. Ewing's Sarcoma. PNET.

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

- Soft Tissue's Sarcomas: Rhabdomyosarcoma and not Rhabdomyosarcoma.
 - Germ Cell Tumors.
 - Pediatric Liver Tumor.
 - Endocrine tumor.
 - Management and support of Infrequent Cancers of Childhood.
4. Treatment pre – Bone Marrow Transplantation.
 5. Neuro-Prophylaxis of Leukemia and Lymphomas Trough Lumbar Puncture
 6. Treatment of Malignant diseases complications by chemotherapy:
 - Neutropenia and Bone Marrow Aplasia.
 - Infectious Diseases in Pediatric Oncology.
 - Acute Tumoral Lyses Syndrome.
 - Hyperuricemia and another metabolic disorders.
 - Cardiotoxicity.
 - Nephrotoxicity: Acute Renal Failure. Bladder Hemorrhage by Iphosphamide.
 - Hepatotoxicity.
 - Neurotoxicity.
 - Respiratory Tract Complications.
 - Vomits and Nauseas prevention.
 - Treatment of extra-vassal chemotherapy.
 - Diarrheas for chemotherapy.
 - Constipation as chemotherapy complication.
 - Mucous Membrane Inflammation.
 7. Pre-operative treatment in pediatric oncology patients.
 8. Post-operative treatment in pediatric oncology patients.
 9. Discussions of Radiotherapy Treatment: External, Brachitherapy or Metabolic Radionuclides.
 10. Treatment of Radiotherapy complications.
 11. Molecularly Target therapies in pediatric oncology patients.
 12. Cancer clinical trials in childhood.
 13. Cancer Skin prevention in pediatric patients with Xeroderma Pigmentosum.
 14. Prevention of second tumors through genetic advice.
 15. Nutritional support in pediatric oncology patients.
 16. Palliative Care in pediatric oncology patients: Pain and another symptoms management.
 17. Management of information about the pediatric oncology patients: Ethical considerations with the parents and adolescent.

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

18. Management of late effects of childhood cancer treatment.

19. Other Major Skills and Experience:

- Thoracocentesis.
- Paracentesis.
- Interpretation of imaging studies in diagnosis management of malignant diseases of childhood: Chest-X ray simple and contrasted, CAT, MRI, SPECT, SPECT/CT, PECT/CT, another nuclear medicine studies, ultrasound, angiography interpretation.
- Electrocardiogram interpretation.
- Nasogastric tube placement.
- Cardiac arrest treatment.
- Medicine administration: intravenous, subcutaneous, Intramuscular.

LANGUAGE SKILLS: Spanish, English, France and Italian language.

TEACHING & SCIENTIFIC AWARDS: (including achieved categories achieved as researcher or teacher).

Associate Professor in Pediatric Oncology.

Member of Academical Committee in Medical Sciences Faculty "Commandant Manuel Fajardo".

Management of the Professor Cloister in National Oncology and Radiobiology Institute.

Management of Program for last year medical students.

Relationship of different project as researcher:

1. Evaluation of the quality of care in oncology pediatric patients.
2. Assessment of the correspondence between the diagnosis of malignant tumor in children and radiant treatment.
3. Evaluation of the therapeutic properties of Etoposide administered by conjunctive route in the treatment of Retinoblastoma.
4. Employment Metaiodobenzylguanidine in the diagnosis of neuro-endocrine tumors
5. Sequels of onco-specific treatment in onco-pediatric patients.
6. Phase IV Clinical Trial: Impact of Recombinant Human Erythropoietin (ior® EPOCIM) in pediatric oncology patient carriers of anemia post-chemotherapy and / or radiotherapy.
7. Phase IV Clinical Trial: Impact of granulocyte colony stimulating factor (ior-LeukoCIM) in pediatric cancer patients with neutropenia after chemotherapy.
8. Cuban experience with volunteers in caring for children hospitalized cancer patients.
9. CITMA Project: Quality of life evaluation in Onco-pediatric.
10. Ocoxin - Viusid. Use in oncology pediatric patients.
11. Project: SENSELAB V Art-therapy in oncology pediatric patients.

References available on request (do not normally include references)

CURRICULUM VITAE

RÉSUMÉ Format

(This Document must be typed and completed in English only)

12. Strategy for care of children and adolescents with chronic actinic damage. HCPC. In progress.
13. CITMA Project: practical guides model photo-protection for pediatric patients
14. Cancer Treatment Prescription in Low- and Middle-income Countries Survey. Project N^o RLA2012001.
15. Evaluation of the quality of life in Onco-pediatric.
16. Quality of life in primary caregivers in children and adolescents with cancer.
17. Nimotuzumab widespread use in pediatric patients with tumors of the central nervous system.
18. Diagnosis and treatment of patients classified as types I and II with Cis-Trans-Retinoic and photo-protection.
19. Diagnosis and treatment of children with Xeroderma Pigmentosum.
20. Support for the diagnosis and treatment of tumors in pediatric patients. Proyecto: RLA/6/075.
21. CITMA Project: Quality of life evaluation in Onco-pediatric. Research Report.
22. Project: SENSELAB VI 2015 Art therapy in Onco-pediatric.
23. Project: ARCAL CXXXIII C7-RLA6075-001. "Support for the diagnosis and treatment of tumors in pediatric patients"
24. Project: ARCAL CXXXIII C7-RLA6075-004. "Support for the diagnosis and treatment of tumors in pediatric patients"
25. Project: ARCAL. Reference: C7-RLA-6.075-006/2016: Appropriated clinical applications for diagnosis imaging and therapy with radionuclide in PET/CT and SPECT/CT hybrid modalities in Pediatric Oncology.
26. Evaluation of a long term toxicity of malignant tumors treatment in pediatric oncology patients. Cuba-France: 2017-2021.

HONORARY MEMBER OF SOCIETIES:

Cuban Oncology, Radiotherapy and Nuclear Medicine Society.
International Pediatric Oncology Society.

CATEGORY: Associate Professor

EVENTS:

May. 4th/1978: VIII Student Scientific Meeting Santiago de Cuba ISCM

Jun. 4th/1981: X Student Scientific Meeting Santiago de Cuba ISCM

May. 14th/1982: XII Student Scientific Meeting Santiago de Cuba ISCM
